|---|---|
| X | State agencies will not require an appropriation to implement the bill. |
| X | There is no fiscal impact on local governments. |

If it isn't so obvious, explain what's going on. The most usual explanation is the codification of existing practices.

Attachments welcome.

If necessary, explain why this bill has no fiscal impact.

This reporting should be a minimal amount of staff time. S.B. 123 already prohibits many activities so reporting should be an activity that wouldn't require much staff time.

D. Work Notes: Assumptions, calculations & what are we buying?

Explain the fiscal impact in plain English, detailing your assumptions, methods, & calculations.

List all direct costs. Identify one-time and ongoing costs. Detail FTE impacts.

Do not say, "\$50,000 in Current Expense." Be very specific about what this \$50,000 will buy.

Attachments encouraged.

This bill requires reporting of any lobbying activities with the Lieutenant Governor whether through contracting (prohibited by S.B. 123) or by paying for other items that might be considered as lobbying. The possible uses are so small or infrequent that compiling and submitting such a report would be minimal in effort to remain compliant.
